Fund Classification

FUND OVERVIEW

Trinity Group has identified a number of qualified properties for consideration by the Fund.

FUND MANAGEMENT

Trinity Group has recruited an exceptional team of executive, operational, financial, geological engineers and fund management executives to operate the Trinity Management and serve as industry advisors. Trinity Management will be led by Dr. RG Bailey, former President of Exxon Arabian Gulf, where he was responsible for an \$18 Billion annual budget and 4.5 Million BOPD. Dr. RG Bailey is President, Chairman of the Board and Chair of the Investment Committee in the Fund. His team brings over 125 years of oil and gas experience. Trinity Management will be responsible for field operations and the selection of operators for each property.
